

COrHT SUPPLEMENTAL RESOURCES

Below are links to supplemental resources arranged by topic area to help support additional considerations for The Three Domains Approach.

Teledentistry

CE Opportunities

- DentaQuest Partnership: Bringing Teledentistry Into Practice Series
 - o [Teledentistry: Providing Alternative Care During a Public Health Crisis \(1.5 CE credit\)](#)
 - o [Emergency Management & Patient Recordkeeping \(1 CE credit\)](#)
 - o [Delivering Exceptional Care with Interpersonal Skills \(1 CE credit\)](#)
 - o [Directing Patient Care in a New and Innovative Format \(1 CE credit\)](#)
- Elevate Oral Care: [Teledentistry and Minimally Invasive Procedures in the Time of COVID-19 \(1 CE credit\)](#)

Print Resources

- DentaQuest Partnership: [Fast-Track to Teledentistry: Removing Barriers to Care While Maximizing Health](#)
- [Teledentistry: A Post Covid Strategy for Safe, Effective and Evidence-Based Care \(MouthWatch\)](#)
- [Teledentistry applications for mitigating risk and balancing the clinical schedule \(Nathan Suter, Journal of Public Health Dentistry\)](#)

Minimally Invasive Care

CE Resources

- Elevate Oral Care:
 - o [Minimally Invasive Caries Treatments with Dr. Jeremy Horst \(1 CE credit\)](#)
 - o [The SMART Pediatric Dentist with Dr. Jeanette MacLean \(1 CE credit\)](#)
 - o [Non-Restorative Treatments as First Line of Therapy for Caries with Dr. Jeremy Horst \(1 CE credit\)](#)
 - o [Teledentistry and Minimally Invasive Procedures in the time of COVID-19 with Dr. Paul Glassman \(1 CE credit\)](#)
- Crest/OralB
 - o [A Non-Aerosol Caries Treatment Option: Silver Diamine Fluoride \(SDF\)](#)

Print Resources

- JADA: [Evidence-based clinical practice guideline on nonrestorative treatments for carious lesions](#)

Risk-Stratified Care & Disease Management

CE Resources

- DentaQuest Partnership Disease Management Series (see link for CE credits):
 - o [Implementing a Culture of Disease Management](#)
 - o [Caries as a Chronic Disease](#)
 - o [Caries Risk Assessment](#)
 - o [Caries Management by Risk Assessment: CAMBRA](#)
 - o [Dental Caries Management: Perinatal](#)
 - o [Dental Caries Management: Newborn to Age 5](#)
 - o [Dental Caries Management: Age 6 through Adult](#)
 - o [Interim Therapeutic Restoration](#)
- Crest/Oral B:
 - o [Prevention and Non-Surgical Treatment of Caries](#)
 - o [From Evidence to Causality: How do We Determine Causality?](#)

Print Resources

- [Dental caries management: A practical approach for your practice](#) (Journal of Public Health Dentistry)

Infection Control

CE Resources

- DentaQuest Partnership: COVID-19 Education Series
 - o [Infection Control and Preventive Care During a National Health Care Crisis \(1.5 CE\)](#)
 - o [Teledentistry: Providing Alternative Care During a Public Health Care Crisis \(1.5 CE\)](#)
 - o [Infection Control Part 2: Questions & Answers About COVID-19 \(1 CE\)](#)
 - o [Saliva & COVID-19 Testing in Clinical Dental Practice \(1 CE\)](#)
 - o [Best Practices for Infection Control in Dental Clinics \(1 CE\)](#)
- Colgate Oral Health Network: [Aerosol and Infection Control Management in the COVID-19 Era](#)

Print Resources

- DentaQuest Partnership & OSAP: [Best Practices for Infection Control in Dental Clinics During the COVID-19 Pandemic](#)

Whole-Person Health

CE Resources

- Elevate Oral Care: [Engaging Patients as Partners with Dr. Matt Allen \(1 CE credit\)](#)
- Crest/OralB
 - o [The Oral Microbiome & Systemic Disease](#)
 - o [Management of Patients with Chronic Diseases](#)

Interprofessional Care Delivery & Care Coordination

CE Resources

- DentaQuest Partnership: [Interprofessional Practice \(1 CE credit\)](#)
- Colgate Oral Health Network: [Integrating Oral Health Into Primary Care Requires More Than Just Treatment Planning](#)

Print Resources

- Oral Health Risk Assessment in Primary Care
 - o [AAP Oral Health Risk Assessment tool](#)
 - o [DentaQuest Partnership Periodontal Oral Health Risk Assessment](#)
- [The Interprofessional Oral Health Referral](#): Guidelines & examples from the Medical Oral Expanded (MORE) Care Program

Operational Excellence, Billing, and Scheduling

CE Resources

- DentaQuest Partnership: Safety Net Dental Practice Management Series
 - o [Developing Billing Excellence: Getting Paid for What You Do](#)
 - o [Fee Schedules](#)
 - o [Safety Net Dental Program Finance and Productivity: Your Mission and Your Margins](#)
 - o [Front Desk Customer Service](#)
 - o [The Front Desk: Creating Your Dream Team](#)
 - o [Managing Chaos in the Dental Program](#)
 - o [Scheduling by Design](#)
- Crest Oral B
 - o [Committing Your Practice to Ultimate Patient Care](#)
 - o [Getting Ahead of the Next Stage of the COVID-19 Crisis](#)
 - o [A Humanistic Approach to Team Member Motivation](#)

Print Resources

- DentaQuest Partnership: Safety Net Dental Practice Management Materials
 - o [Payment Policy Sample](#)
 - o [Billing Performance Improvement Team Charter](#)
 - o [Billing Flowchart Sample](#)
 - o [Common Scripting for the Community Health Dental Practice](#)

Predictive and Personalized Oral Health Care

Print Resources

- [Special Report—Embracing Precision Dentistry and Medicine](#)
- [Embracing Personalized Medicine in Dentistry](#)
- [Advances in precision oral health](#)

Interoperability

CE Resources

- DentaQuest Partnership Oral Health Information Technology *Coming 2021*
- Crest/Oral B: [Data Protection & Security for Dental Professionals](#)

Oral Health Equity

CE Resources

- CLAS: [Cultural Competency Program for Oral Health Providers](#)
- Colgate Oral Health Network: [Is Good Dental Health a Benefit Experienced by All?](#)

Print Resources

- [DentaQuest, Oral Health Resources: Health Equity](#)
- [Moving Into Equity: The Public Health Journey](#)
- [What is the Value of Social Determinants of Health in Dental Education?](#)

Value-Based Care

CE Resources

- DentaQuest Partnership Oral Health Value-Based Care Series:
 - o [Oral Health Value-Based Care: Transformation in Practice \(1 CE credit\)](#)
 - o [Oral Health Value-Based Care \(1 CE credit\)](#)
 - o [Payment Reform \(1 CE credit\)](#)

Print Resources

- DentaQuest Partnership: [Understanding value in oral health: the oral health value-based care symposium](#)
- DentaQuest Partnership: [Oral Health Value-based Care: The Federally Qualified Health Center \(FQHC\) Story](#)
- DentaQuest Partnership: [Value Based Care: Keys to Success](#)
